**All residents are welcome to attend and will be given the opportunity to ask Aquind questions or raise any concerns.**

A development proposal is likely to affect much of our local area.

A 'Nationally Significant Infrastructure Project' (NSIP) led by Aquind Limited is planned in Denmead.

Many residents have received extensive questionnaires from Aquind about their homes or land and have concerns.

Denmead Parish Council have invited Aquind to a meeting of The Planning Committee in order that residents have the opportunity to ask questions on 6<sup>th</sup> March at 7:30 in Ashling Pavilion.
