

SUMMER WALK 3

The Rising Sun, Clanfield

Tuesday 22nd May – 7.30pm

This walk will take the group through woodland around Clanfield where, hopefully, the bluebells and celandines will still be out in the copse.

Directions from Denmead to the village hall car park in Clanfield.

Take the exit to Clanfield off the A3(M) continuing down the hill then over the rise before passing the traffic calming island as you head into the centre of the village. At the Rising Sun pub follow the road around to the left then straight after the shops you will see a white(ish) fence. Turn left after the fence into the village hall car park.

The walk will start along local pavements before heading off onto footpaths. There will be a 100m ascent at one stage early in the walk while the finish is along a quiet land. The post-walk drink will be taken at the Rising Sun.
